

NICOLE D'AUGEREAUX

WEB DEVELOPER & SCIENCE EDUCATOR

I'm a driven and hard-working creative-type who is still deeply in touch with my analytical side. In my career as an educator, I've managed and motivated classrooms and colleagues alike with my enthusiasm, flexibility, and can-do attitude. As a front-end web developer, I've proven myself to be a swift learner with a keen ability to problem solve and to design beautiful, functional, and user-friendly websites.
